Hello!

Elizabeth Sewell at your service. As the club's special events director, I look forward to organizing, planning, and coordinating *your* event.

Our mission at the Avila Bay Club & Spa is to ensure your happiness and satisfaction with the planning and implementation of your event. We tailor each and every event to result in a day (or evening) that is enjoyable and stress-free, and one that creates a beautiful lasting memory for yourself, your family, and your friends. You will find our staff to be personable and experienced. Attention to detail and superb service are our specialties.

Located in Avila Beach, just minutes from the ocean and surrounded by majestic mountains, the club's four and a half acres of lush mature landscaping provide a tropical, resort-like backdrop for events. Within the grounds are multiple site venues to accommodate your party, ceremony, reception, or business meeting. This includes several beautiful outdoor settings, a pavilion, and versatile indoor banquet spaces. Our skilled and accomplished Oasis Grille team is always eager to please, offering the convenience of on-site catering and a wide variety of delicious menu/banquet choices. The Avila Bay Club & Spa is the ideal site for a memorable celebration!

Please call me with any questions you may have and/or to discuss your personal requests. You may also visit us on-line (www.avilabayclub.com).
