## In Memory of Vincent Dente

Vince Dente was a man who loved tennis and had a special place in his heart for the young player. Vince gave freely of his time and money in order to help those local juniors who might not otherwise get the chance to learn and afford to play this great game of tennis. In Vince's memory we established the Vince Dente Junior Tennis Foundation. Its focus is to help junior players of all ability levels reach their goals as tennis players. Since 1997 the foundation has helped numerous local juniors and organizations realize their tennis goals.
